

RBC Cash Management Account

Wealth Management

The foundation for your financial needs

Today, more and more investors are discovering that the key to successfully managing their cash and investments is by establishing one convenient and flexible account as the foundation for their finances. An RBC Cash Management Account can provide this foundation. It's an account that provides you with what you need, when you need it.

Easy access to cash

When you don't need your cash, it should be working for you. But when you need money, it should be easily accessible. And when your money needs to move from one place to another, the more automatic the better. An RBC Cash Management Account provides several options for easily accessing your cash. Some of these options include:

Visa Platinum Debit Card

Your RBC Cash Management Account includes an RBC Visa® Platinum Debit Card that provides convenient access to your cash combined with enhanced fraud protection and platinum level benefits.

Enhanced fraud protection — You will receive real-time fraud text alerts for debit card transactions. Also, every time you make a purchase at a chip-activated terminal, a unique transaction code is created, which prevents this data from being used fraudulently if it is stolen.

Liability protection — With Visa's Zero Liability Policy, if your card is lost or stolen, you are protected against unauthorized use.¹

Platinum benefits — Complimentary 24/7 concierge service for restaurant reservations, event tickets and travel arrangements. Purchase security service for replacement, repair or recovery on eligible purchases.

With worldwide acceptance, you can feel confident using your RBC Visa Platinum Card everywhere you shop, dine or travel.

Additionally, your Visa Platinum Debit Card includes:

- ATM surcharge fee reimbursements²
- Immediate cash back when making point-of-sale (POS) transactions using your PIN at participating merchants
- No foreign transaction fee when using your card overseas.
- Extended warranties on items purchased with your card, travel and emergency assistance, auto rental insurance and other services.
