

Introduction to professional trustee services

Exclusively for RBC Wealth Management clients

Wealth Management

Establishing and managing a trust can be complex, requiring professional knowledge in trust laws and administration, as well as the proper operational infrastructure. Our approach is to work with established trust companies, tapping in to their organizational strengths. This allows us to deliver a full range of professional trustee services.

Our providers can administer all types of trusts, including revocable, irrevocable and charitable among others. Trusts can hold all types of assets such as financial, real estate or personal property in multiple jurisdictions nationwide.

RBC Wealth Management trust consultants are specialists who help financial advisors identify the unique trust needs of clients and match them with the most appropriate service provider. The following is a very brief description of our professional trustee services providers:
